Code of conduct

All code and comments are written in English.

```java
**/
* Description of class constructor(s)
*/
public class MyClass{

        @FXML private int fxmlVar1
        @FXML private int fxmlVar2
        @FXML private int fxmlVar3

        private int instanceVar1;
        private int instanceVar2;
        private int instanceVar3;

        /**
        * Description of method
        * @param digit comment on parameter
        * @return description of return value/object
        */
        public int method1(int digit) {
           instanceVar1 = 1;
        }

        private void method2() {
           //comment if code is complicated
           instanceVar2 = 43;
        }

}
```
